

# Dr. Earl Leroy Chambers III, DDS, FAGD

Annapolis, Maryland | (410) 490-2340 | earlchambers3@gmail.com

## SUMMARY

---

Semi-retired Annapolis dentist with more than 35 years in practice and a long record of community service. Owned and ran Chambers Family Dentistry for 30 years, caring for families of all ages. Volunteered for 19 years at the AAMC Stanton Clinic treating residents without dental coverage, and has served on dental missions locally and abroad. Board member of the Ridgely Oaks Professional Building since 1996. Seeking to serve on the board of a community outreach and garden organization in Annapolis.

## BOARD QUALIFICATIONS

---

- 30 years of board service, including budgets, reserves, capital projects, and vendor decisions.
- Decades of explaining options clearly to patients and families of every age and background.
- Built working partnerships with local specialists and regional healthcare groups.
- Long-time hands-on volunteer in Annapolis and on service missions abroad.

## COMMUNITY SERVICE

---

**Volunteer Dentist, AAMC Stanton Clinic** 2000 – 2019

*Anne Arundel Medical Center, Annapolis, MD*

- Provided dental care for 19 years to Annapolis residents without dental benefits.

**Volunteer Dentist, Service Missions** Ongoing

*Operation Smile; Catholic Relief Services medical missions; Doctors for Smiles; Project Pearls; Calvary Methodist Church*

- Provides free dental care to low-income families in Annapolis and around the world.

## BOARD EXPERIENCE

---

**Board of Directors, Ridgely Oaks Professional Building** 1996 – Present

*Commercial Office Space Association, 621 Ridgely Ave, Annapolis, MD*

- Oversees a 50,000-square-foot medical and professional office complex.
- Helps set annual operating budgets, reserves, and capital improvements.
- Oversees safety, zoning, environmental, and leasing policies.
- Takes part in decisions on major repairs, vendor contracts, and economic changes.

## PROFESSIONAL EXPERIENCE

---

**Owner and Principal Dentist, Chambers Family Dentistry** 1994 – 2024

*Annapolis, MD*

- Founded and ran a family practice with a staff of associate dentists, hygienists, and assistants.
- Treated patients of all ages, often several generations of the same family.
- Known for explaining all treatment options and recommending the least invasive, most affordable choice first.
- Worked with local pediatric specialists, oral surgeons, and regional healthcare groups on patient referrals.

**General Practice Dental Resident, York Hospital** 1990 – 1991

*York, PA*

- One-year hospital residency in emergency care, trauma, oral surgery, and diagnosis.
